TEXAS Watershed Steward

Highland Bayou

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

February 22, 2012:
8:00 am - 4 pm

Texas AgriLife Extension Office
4102-B Main Street
La Marque, TX 77568

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues in Highland Bayou as well as efforts by the Texas Coastal Watershed Program, Galveston Bay Estuary Program, Texas State Soil and Water Conservation Board, and area residents to help improve water resources and the health of the surrounding watersheds in Galveston County.
