

# TEXAS Watershed Steward

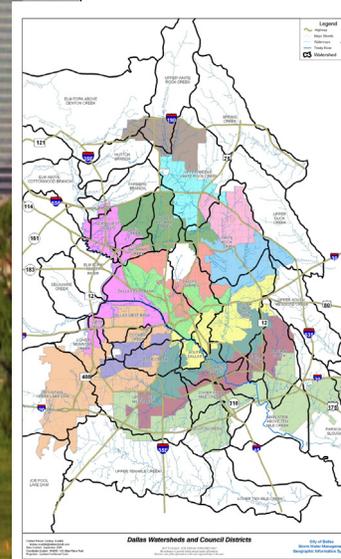

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

November 9, 2011: 8:00am-4pm  
November 10, 2011: 8:00am-4pm

TAMU Research &  
Extension Center  
17360 Coit Rd.  
Dallas, TX 75252

Trinity River  
Audubon Center  
6500 South Loop 12  
Dallas, TX 75217

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues in the Dallas area as well as efforts by the City of Dallas, Trinity River Authority, Texas State Soil and Water Conservation Board, and area residents to help improve water resources and the health of the surrounding watersheds.
