

# CERTIFICATION OF 75% PROPOSAL COMPLETION

TSSWCB Use Only:

## FOR O&M WORK ON ELIGIBLE FLOOD CONTROL DAMS

This form should be used to certify that a TSSWCB- approved proposal for work under the agency's Flood Control Operation and Maintenance (O&M) Grant Program has reached the 75% completion point. An authorized representative of the sponsor must sign the certification statement below. A representative of the TSSWCB or Natural Resources Conservation Service (NRCS) must also sign concurring with the certification.

<b>Proposal Number</b>	
----------------------------	--

### CERTIFICATION OF SPONSOR

I hereby certify that O&M activity proposed by the \_\_\_\_\_,  
as specified on the above referenced proposal, has reached the 75% completion point. I understand that the sponsor is now eligible to submit another proposal under the terms of the Program Guidance Memorandum and the Program Rules. I also understand that work on any future proposal approved by the TSSWCB may not commence until the final reimbursement request for the above referenced proposal has been submitted to the TSSWCB. I am an individual with authority to sign on behalf of the sponsor.
