

SOIL
STEWARDSHIP
PUBLIC
SPEAKING
CONTEST

2023

GUIDELINES

To prepare for the Soil Stewardship Public Speaking Contest, students are to consult with their Ag Science teacher, use this Guidelines Packet and reference the SDE Handbook. The student is also to work with their Soil and Water Conservation District (SWCD) as a local resource. A signed SWCD affidavit included on the last page of this packet must be submitted along with the speech for contests.

The Soil Stewardship Public Speaking Contest is a partnership between the Texas FFA Association, the Agriculture Teachers Association of Texas, the Texas State Soil and Water Conservation Board, and the Association of Texas Soil and Water Conservation Districts.

Speech Objective:

The 2023 theme is "One Water." Healthy watersheds provide critical services, such as clean drinking water, productive fisheries, and outdoor recreation, that support our economies, environment, and quality of life. The health of clean waters is heavily influenced by the condition of their surrounding watersheds, mainly because pollutants can wash off from the land to the water and cause substantial harm. Utilizing the theme of "One Water" to inform students and communities of their dependence and responsibility to our watersheds will create guardians of one of our most precious resources, water.

To locate your local SWCD:

1. Visit: <https://www.tsswcb.texas.gov/swcds/locatormap>
2. Click on the region number in which your county is located.
3. Find the name of your county and click on it. There you will find the name of your SWCD, and information on how to contact the district, or the Texas State Soil and Water Conservation Board Field Representative who assists the district.

SCHOLARSHIPS

Three scholarships will be awarded by the Association of Texas Soil and Water Conservation Districts to the top three individuals of the state contest.

- **\$3,000 scholarship to the 1st place contestant**
- **\$2,000 scholarship to the 2nd place contestant**
- **\$1,000 scholarship to the 3rd place contestant**

Scholarship money must be used to defray costs of the recipient's education at a technical institution, college, or university of the recipient's choice. Scholarship funds will be transmitted directly to a public speaking contest winner's chosen technical school, college, or university in the student's name upon proof of registration as a full-time student at a single institution of higher learning.

Expense Paid Trip:

The 1st place winner in the state contest and his/her advisor will receive an expense paid trip under the State of Texas travel guidelines to the Annual Meeting of Texas Soil and Water Conservation District Directors. The 1st place winner in the state contest is required to present their speech at the aforementioned meeting.

Thank You Notes:

We ask that the winners of the scholarship money from the Association of Texas Soil and Water Conservation Districts consider sending a thank you note.
